7. **BSA FACTOID:** The Scout Slogan is: *Do A Good Turn Daily*. We all know this. Well, did you know that the *good turn* that we do can be small or big? Sometimes, the *good turns* we all hear about are nice to hear about, but think about this... the small *good turns* are important, too. These *good turns* that are done quietly, without fanfare, are often more significant to your development of character. This week, as you practice your *good turns*, think about your development of character. Practicing the Scout slogan can be a big part of your life's success.
