10. **BSA FACTOID:** Let's talk Science! **Did you know...**Ernest Lawrence received the Nobel Prize for Physics in 1939? Did you know that Ernest Lawrence discovered how to separate uranium for use on the Atom Bomb? Did you know...Ernest Lawrence actually discovered a chemical element that was named in his honor: Lawrencium (103 on the Periodic Table)? Did you know...Ernest Lawrence was a Boy Scout? Did you know...Ernest Lawrence never earned the Nuclear Science Merit Badge? Of course he didn't!!! He helped to create the Science after which the Merit Badge was created. In 1963, the Atomic Energy Merit Badge was created. It was later renamed the Nuclear Science Merit Badge. Now, GO! Discover a new field in Science...then tell everyone you were a Scout!
